

APPALACHIAN HEADWATERS

FORESTS WATER COMMUNITIES

HEADWATERS PARK OPEN HOUSE

Join us for an exclusive sneak peek at Appalachian Headwaters' newest facility: Headwaters Park! This park is slated to be complete in July 2022 and will feature our Appalachian Pollinator Center-- a research program focused on native plants, pollinators, and their habitat. Headwaters Park will be a place where community members can connect to West Virginia ecology.

ALL are welcomed!

- ✓ Guided tour of the property
- ✓ Learn about our future projects
- ✓ Join our education programs

HEADWATERS PARK

334 Richland Ln,
Lewisburg, WV, 24901
